Pattern: 4thjuly 005

Pattern: 4thjuly 001

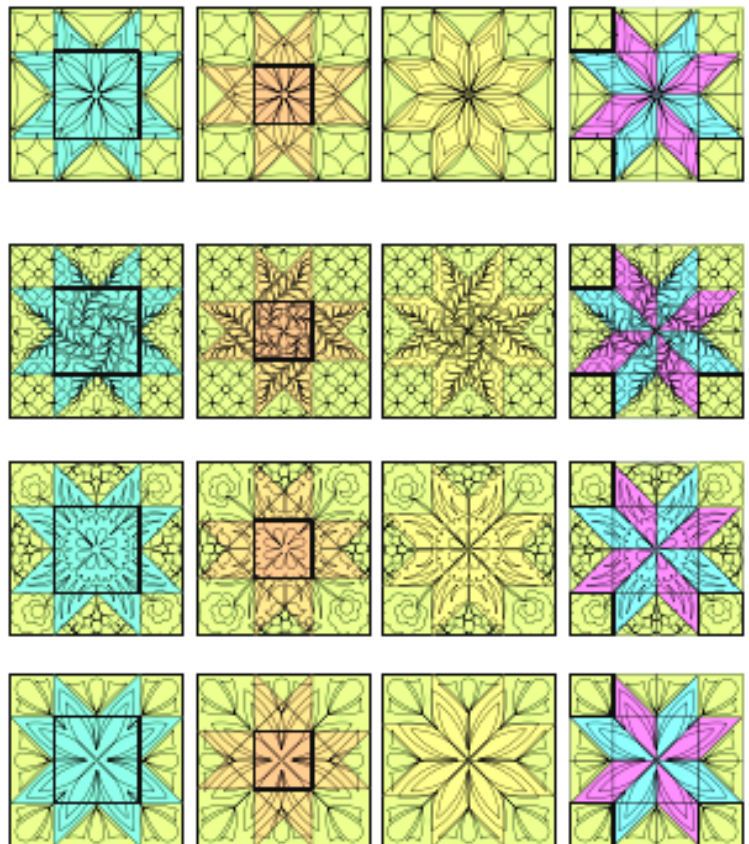

Pattern: 8 pt star 002

Pattern: feather ohio star 002

### All Stars with 8 points are not created equal

Each pattern is "used" four times, on the 4 star blocks shown here (Sawtooth Star, Ohio Star, 8-Point Star, Parallelogram Star). However, as you look closely, you'll see that in each row, the pattern looks best when used for the particular star block for which it was designed.
